

POLA FOR ALIGNERS

STRAIGHTEN AND BRIGHTEN TOGETHER

Introducing Pola whitening gel for aligners, perfectly formulated for use with orthodontic aligner trays. Pola For Aligners can easily be used as a take home kit, ensuring a great patient experience by providing whiter, brighter smiles with no additional wear time.

Pola For Aligners combines the same benefits of the award-winning Pola whitening formula

- ✓ The greatest patient comfort in a whitening kit
- ✓ Contains potassium nitrate and fluoride to reduce sensitivity for long term use
- ✓ High viscosity gel ensures it can be easily and securely placed into the aligner tray, staying in place

Available in a convenient 4 syringe kit - for take home, day or overnight wear

- ✓ The Pola For Aligners system is available in Pola Night 10% carbamide peroxide gel that has been carefully selected as the ideal whitening agent to suit any aligner system. It enables patients to customise use between meals for just a couple of hours a day, to the convenience of overnight wear
- ✓ Clinical research has identified 10% carbamide peroxide as the Gold standard in teeth whitening, providing optimal whitening results whilst maintaining maximum patient safety and comfort*
